Poster Presentation Guidelines:

When creating your Poster, prioritize accuracy, clarity, and effective communication. Additionally, consider aesthetics by blending graphs and tables, using colors, and adding attention-grabbing elements.

Judging Criteria (25 Points Total):
1. Legibility and Layout (5)
2. Introduction (3)
   - Clearly state the research purpose.
3. Materials and Methods (6)
   - Explain experimental design (2)
   - Describe treatments (2)
   - Outline statistical methods (2)
4. Results and Discussion (8)
   - Present results effectively (2)
   - Explain tables/figures (2)
   - Draw conclusions backed by data (4)
5. Summary/Questioning (3)

Poster Size:
Your Poster should be A0 size in portrait orientation (84.1 cm x 118.9 cm). Each board will be numbered in the upper left corner, along with author names.

Setup:
Post your posters on assigned boards on November 21st (18:00 - 22:00) or November 22nd (08:00 - 09:00) using provided adhesive tape. Be present by your Poster during your assigned session. Session details will be announced on November 10th, 2023.

Teardown:
Remove posters from boards on November 24th (16:00 - 18:00). Unclaimed posters will be discarded. Remember, poster sessions are part of the conference program.
